**185 Robinson St., Simcoe**

**Facilitator: Trish Manning, Amazing Places Provincial Coordinator**

**Trish Manning, Manning Consulting Group (MCG) Inc.**

Founded in 2004, Manning Consulting Group (MCG) Inc. is a service-based consulting company specializing in sustainable tourism and economic development, marketing, government relations, communications and advisory services for destinations, government, businesses and not-for-profit organizations.

MCG is headed by Trish Manning. Her passion for community, environment and outdoor activities has fostered a special interest in nature-based, adventure and eco-tourism experiences.

Trish is currently the Provincial Coordinator for Ontario's UNESCO World Biospheres Amazing Places program as well as a content provider for Destination Ontario's Outdoor Nature and Adventure Program. She volunteers her time to support sustainable tourism development in Colombia and Peru.

**This hands-on workshop will result in the creation of thematic Amazing Places touring routes, itineraries and experiences that will help attract visitors to your business and the county.**
